

Brand New -Still Sealed

"Building on the momentum caused from the runaway success of Desolation Boulevard, Sweet forged ahead and shoved Give Us a Wink out to satisfy their growing legions of rabid fans. Doing it all without the aid of Chinn & Chapman, they truly held their destiny in their own hands for the very first time. "Action" gave them another Top Ten hit, and along with such other notable cuts as "Cockroach" and "Yesterday's Rain," they proved they had the goods. This all new release includes never released alternative mixes and demos from the original release."
